

# *Our Promise. Delivered.<sup>TM</sup>*

We promise to deliver to our partners: not just chemical products but **services** and **solutions**; not just **safely** but **on time**; not just a transaction but a **fulfillment of our word**.

Highway Transport provides solutions to the chemical industry, including transportation and logistics services. We are recognized by customers and the industry for our dedication to safety, service, community and sustainability. Our proprietary, customer-focused technology provides transparency throughout the supply chain.

With a transportation industry legacy founded by the Watkins family in 1932, Highway Transport encompasses an agile network of people, facilities and equipment. Our team of experts in the chemical and transportation industry is empowered to provide assurance, prioritize safety and create innovative supply chain solutions for our logistics partners in the United States and Canada.
